

Opportunities for ISCN-LATAM to connect with ISCN members globally

Melissa Brown Goodall
Senior Director

ISCN
International Sustainable Campus Network

Priorities

Enhance member value through robust exchange and engagement platforms

Elevate ISCN's presence with key peer networks, agencies, and funders

Mobilize the network around key themes/projects to focus activities

Evolve management and governance of the network to deliver on the strategic priorities

Increase student involvement with the network

Enhance member engagement with the Global South

Diversify funding sources to enable programming

Value of ISCN Membership

All departments

PIE CHART

FLIGHT MAP

TOP DESTINATIONS

LONDON

PROVIDERS

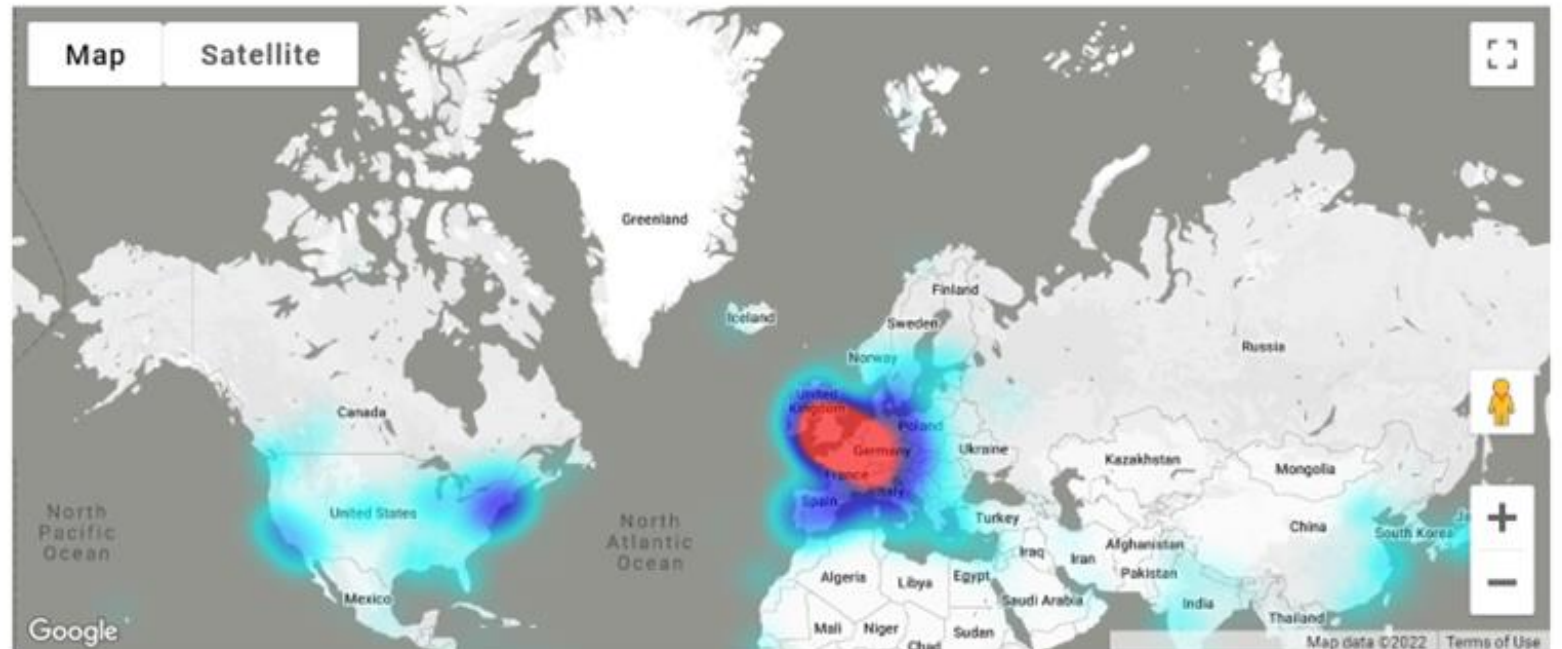

CALCULATION

This map shows the **final destination** of flights for this report - either for the whole University or an individual school or department.

For multi-part journeys, we only mark the location furthest away from Edinburgh on the map. That helps us to see where we are travelling, rather than the airports where lots of people change planes.
