Opportunities for ISCN-LATAM to connect with ISCN members globally

Melissa Brown Goodall
Senior Director
Priorities

- Enhance member value through robust exchange and engagement platforms
- Elevate ISCN's presence with key peer networks, agencies, and funders
- Mobilize the network around key themes/projects to focus activities
- Evolve management and governance of the network to deliver on the strategic priorities
- Increase student involvement with the network
- Enhance member engagement with the Global South
- Diversify funding sources to enable programming
Value of ISCN Membership

CONNECTION

INSPIRATION

RATIONALIZATION

COLLABORATION

(...
This map shows the **final destination** of flights for this report - either for the whole University or an individual school or department.

For multi-part journeys, we only mark the location furthest away from Edinburgh on the map. That helps us to see where we are travelling, rather than the airports where lots of people change planes.
THE KNOWLEDGE SECTOR

The role of Higher Education Institutions in addressing Global Environmental Challenges

Foreword by

Introduction by

Next Steps by

Patricia Espinosa
Executive Secretary of the UN Framework Convention on Climate Change (2016-present)

Melissa Brown Goodall
Director of the Global University Climate Forum and Senior Director of the Penn Environmental Innovations Initiative

Christiana Figueres
Co-founder of Global Optimism and Executive Secretary of the UN Framework Convention on Climate Change (2010-2016)

COLLABORATION

Educated Climate Solutions: a publication launch and panel discussion

Join us for the launch of
The Knowledge Sector:
The role of Higher Education Institutions in addressing Global Environmental Challenges
Wednesday, 26 January 2022, 9:00 EST (2:00 UTC)
ISCN chapter framework

ISCN
- Connections
- Inspiration
- Rationalization
- Collaboration

LATAM
- Access resources
