Project Details

7. **Project Title** *[open text]*
8. **Project Description** *[open text]* (max 150 words)
9. **Impact, Outcomes, and Scalability** *[open text]* (max 150 words)
Describe how this project or initiative demonstrates impacts toward whole-institution sustainability (governance, teaching, research, campus operations, and community outreach). What are the concrete outcomes, and how could it be scaled for broader impact at the campus, regional, national, or international scale?
10. **Stakeholder and Community Engagement** *[open text]* (max 150 words)
How did this project or initiative engage members of the campus community and/or external partners?
11. **Challenges and Lessons Learned** *[open text]* (max 150 words)
What were the greatest challenges or barriers of the project or initiative, and how did you manage them? What can other institutions learn from your experience?

12. Choose the best description for the project's status:

- Completed
- Ongoing

13. Project Start Date

Enter the approximate month and year when the project was started (e.g., 10/2025)

14. Project Completion Date [if applicable]

Enter the approximate month and year when the project was completed (e.g., 04/2026)

Supporting Evidence

15. Please provide the website and/or online resource (e.g., videos, blogs, etc.) that provides more details or additional context about the project.

- URL 1
- URL 2

16. Please upload any additional PDF file(s) that provide further detail or supports your project.

- PDF 1
- PDF 2

17. Please list any awards or recognitions the project has received, including the name and date of each award. [open text]

Terms & Conditions

By submitting this application, I confirm that I have read and agree to the Conditions of Entry.

If selected as a winner, I agree to coordinate the submission of communications materials on behalf of my university to support the promotion of the awarded project. I also grant ISCN permission to publicly share details of the project through its website, publications, and other official communication channels.
